SCRATCH GUARD

Sinks are specially supplied with plastic guard so as to protect it while installation, thus no cement or other particles can damage the sinks. After completion of Installation just peel off the plastic film from the sink, which retains the sparkling finish, not a stain on its beauty.

SOUND DAMPING PAD

The power of silence can only be understood by Galley noise proof technology which reduces resonance of utensils by more than 60% giving noise - free environment.

UNDER COAT

Galley sinks have Anti Corrosive coating. The main advantage of this special feature are that it absorbs sound, protects against condensation build-up inside kitchen furniture, increase the sink's life and helps to maintain sink water temperature
